

David W. Land, CFA

Vice President & Portfolio Manager, Total Return

Active in the investment industry since 1990, David has extensive fixed income market experience, including a strong background with mortgage securities. As a member of the Advantus Fixed Income Total Return Group, he is responsible for the mortgage-backed and asset-backed securities strategy and also contributes to the performance of the aggregate bond portfolios. David co-manages the Advantus Mortgage Securities strategy and manages assets for many Advantus institutional clients.

David is a CFA Charterholder and a member of the CFA Institute.
